Financial Assistance for MCAT Preparation & Registration Fees

The Association of American Medical Colleges (AAMC) and the Association of Faculties of Medicine of Canada (AFMC) are offering a Fee Assistance Program (FAP) for Canadian examinees in financial need who register for the Medical College Admission Test (MCAT). The AAMC and the AFMC are committed to providing support to Canadian students who would be unable to take the MCAT without financial assistance. This will contribute to a diversity of students enrolled in Canadian medical schools.

There are up to 928 fee assistance waivers available each calendar year!

If paying for MCAT expenses out of pocket would be challenging for you, please consider applying! To check your eligibility and apply, refer to AFMC's website here (<https://www.afmc.ca/resources-data/education/aspirants-applicants/#mcatFee>).
